## О Компании

В 1984 году была основана компания Wise Welding Technology & Engineering (WTEC). С 34-летним профессиональным накоплением, предоставляет автоматические сварочные линии и интеллектуальные оборудования более 600 клиентам из более 15 стран мира в различных отраслях, таких как котлы, сосуды под давлением, ядерная энергетика, судостроение, мостостроение, морской инжиниринг, трубопроводы и т.д.

WTEC является профессиональной сварочной компанией и обладает высокой репутацией по всему миру, и стремится стать компании с историей более 100 лет.

Линия для изготовления мембранной панели

Машина для MAG сварки трубы к трубной доске

Машина для TIG сварки трубы горячей проволокой

Машина для седловой сварки

Машина для вырезки заданной формы в торце трубы

Безгранично вращательная машина для вырезки

Машина для седловой вырезки

Машина для обработки кромок коллектора с ЧПУ

Сварочные материалы
